

SCRUBBER DRYER

Our **SCRUBBER DRYER MODEL S 43**, both in the battery version and the cable version, is our proposal for a small professional machine.

S 43 B
S 43 E

In fact, this machine while having very small dimensions, provides a performance completely similar to machines of larger categories, excellent cleaning power, perfect drying and more than sufficient autonomy for the locations for which it is intended. The winning characteristics of this model are: collection tank that can be fully sanitized, weight on the brush that optimizes the work of the brush itself, completely silent operation, excellent drying ability on all types of flooring, adjustment of wipers and replacement of blades without tools, easy to use and ergonomic, possibility of battery charger on board.

S 43 B

S 43 E

- Battery compartment fully accessible for maintenance: batteries, suction motor, brush gear motor.
- Simple, user-friendly control panel.
- Recycled water tank fully openable for sanitizing.
- Floor scrubbing machine with four-sided squeegees. Can be serviced without tools.

CHARACTERISTICS

Model		S43B	S43E
Working aisle	mm	430	430
Floor scrubber width	mm	720	720
Operating capacity	m ² /h	1376	1200
Brushes	n./diam.	1/430	1/430
Brush pressure	kg	24	23
Brush motor	n./V/W	1/24/400	1/220/450
Climable gradient	%	2	2
Forward/reverse speed	km/h	Semi-tract.	Semi-tract.
Suction motor	W	300	550
Solution tank	l	24	24
Recovery tank	l	31	31
Dimensions	mm	960x550x750	960x550x750
Weight with batteries	kg	118	70
Power supply	V	24	220
Batteries	n./V/Ah	2/12/85	
Noise level	dB(A)	<75	<75
